

Tally provides extensive usage of names and code numbers for items or ledgers as comfort as one can do easily and do remember easily.

It is required in some business to remember the ledger or items in short form of the name. Or some other code name .

Tally allows to give as many names as one wants for single item or ledger.
One can give as many part names as he wants similar to main names .

Enable in the F12 features for alias names, part numbers, descriptions and Remarks to see in the item creation screen.
